PROGRAMMATIC AREAS
Economics, Marketing, Policy, and Community Development
Family and Human Development
Sustainable Plant and Animal Production Systems
Youth Development

Greetings everyone! Plans are currently being made for this year's Family & Youth Expo's talent show, tentatively scheduled for Thursday, June 18th at 6:30 pm at the Great Ballroom in the student union. The expo's committee is requesting that each agent sign-up at least one participant to represent his or her parish in the show. More than one participant from each parish can enter. However, the show will be limited to the first fifteen participants. Talents include, but are not limited to singing, dancing, poetry, twirling, etc... Each performance should be viewed and approved by the parish agent prior to the talent show. Students of all ages are encouraged to participate.

Attached is a template provided for your use. Please include all requested information and return the completed copy to me **by June 1, 2009**. Thanks in advance and I look forward to another successful talent show.

Should you have any questions, I can be contacted my email at edna_lastrapes-brown@suagcenter.com or by phone at (337) 943-2410.

Thanks,

A handwritten signature in black ink on a light green background, appearing to read 'Edna Lastrapes'.
